Dear Ma'am and Sir,

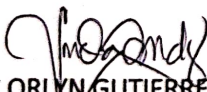

Please accept this letter as formal notification of my resignation from Tamaraw Technohub Inc. on this 1st day of February, 2022.

Thank you for the support and opportunity that you gave me during my stay in company. I truly value the people and experiences with Tamaraw Technohub Inc. I am more than grateful for the encouragement you have given me in pursuing my personal and professional growth objectives.

However, due to problems I've encountered in school, I need to take a break just to prioritize it and finished it on time. I am an irregular student and have to add subject for the next semester, most probably be starting next month.

Thank you for all the guidance, I wish you and Tamaraw Technohub Inc. will continue success.

Sincerely,

NIC ORLYN GUTIERREZ MERCADO
